Can you clarify what we have run by Michelle at this point? I don't think we ran the schedule by her.

Mike

Thanks Mike. Was BPPD able to run the HSRB piece by Michelle Arling? She's out today, so I'm not able to reach her.

Rick,

The Oxitec EUP proposed schedule is attached. Note that we included our assumptions for the schedule on the second page. I have also pasted these below. Thanks.

Mike
